

ASSOCIATED BUILDERS AND CONTRACTORS

Presents
REINFORCEMENTS
For
Public Works Projects

A Panel Presentation and Discussion on how to handle the paper work for successfully bidding and implementing processes to comply with Public Works Projects requirements.

About Our Panelists

Jack Finklea, Partner, - Scopelitis, Garvin, Light, Hanson & Feary P.C. – Jack regularly counsels employers on labor matters including compliance with prevailing wage and common construction wage statutes, reactions to picketing and organizational activity, the defense of unfair labor practice charges, and union avoidance techniques.

Bill Fredericks, President –Fredericks, Inc. – Bill has been in the industry for over 32 years, and has been the president of Fredericks, Inc. for the past 22 years. Fredericks, Inc is a general contractor and does roofing service work for light commercial and institutional projects. They also specialize in casework for manufacturing facilities specializing in medical and institutional cabinetry and countertops. Fredericks, Inc operates out of Pendleton, Indiana and has been bidding both federal Davis Bacon projects and state Common Wage projects for many years. They are also active in ABC's apprenticeship program.

Ken Hedlund, Principal – Somerset CPAs, P.C. – Ken is a principal with Somerset's Construction & A/E Team and works closely with clients to meet their needs in the business management, audit and tax areas. Ken routinely consults with construction, architect and engineering clients on operational and efficiency issues. Ken is a nationally recognized construction industry expert and speaks to numerous organizations, including the Associated Builders and Contractors, American Council of Engineering Companies, BDO Seidman, Associated Equipment Distributors, Axiom Software, Indiana Subcontractors Association, Indiana CPA Society and other groups on high-level management and operational issues specifically related to the construction and design industries.

At this seminar we'll cover the essentials of navigating the sometimes intimidating nature of ***Public Works Jobs***:

- Bidding public jobs
- Ratios with ABC's Apprenticeship Program
- Skilled, semi-skilled and un-skilled classifications
- Audit Procedures and Safeguards
- Fringe Benefits
- Davis Bacon and Indiana Common Construction Wage
- Usage of Apprentices
- Hiring

This seminar is general and informative in nature and should not be taken as substitute for consultation with lawyers, accountants and governmental representatives!
