

Hey, ABC of Indiana...

## **‘Spring Forward’ into Safety... ...with the 2010 Spring Safety Package!**

*What's that we're seeing these days? Is that the SUN? Yes, believe it or not, it is... the sun is finally shining again after several long months, spring showers are popping up & the temps are slowly but surely getting warmer!*

*It definitely appears that Spring is nearly here, ABC!*

*With that in mind, when you think Spring, you should also think SAFETY, as more construction projects starting up + more employees on the job = MORE ACCIDENTS! Let us help you with your safety programs & training as you head into the busy spring season... and take one less worry off your mind.*

*After all... it's Spring!*
