Recognizing Excellence in Merit Shop Construction

ANNOUNCING THE

ABC MERIT SHOP CONSTRUCTION AWARD WINNERS 2011

Associated Builders and Contractors of Indiana

A METHOD OF DOING BUSINESS...

Indiana Merit Shop contractors provide safe, efficient quality construction. ABC of Indiana annually sponsors the *Excellence in Construction* award program, which recognizes the quality and diversity of Merit Shop construction in Indiana. The following projects were judged to be award winners for 2011 in their respective categories.

Join us in acknowledging the contractor, their employees, and the construction team that made these projects of such high quality. Merit construction -- building a better life.

Associated Builders and Contractors of Indiana

The Associated Builders and Contractors is a professional construction trade association dedicated to the Merit Shop philosophy and to the free trade enterprise system. ABC is the most effective organization in the construction industry opposing intimidation, violence, coercion, feather bedding, secondary boycotts, work restrictions and interference with your right to manage a project in the best interests of the employers and construction consumers.
